Prof. Dr. M. KARUNANITHI B.Pharm., M.S., Ph.D., D.Litt.,
Chairman & Secretary
Vivekanandha Educational Institutions & Hospitals
Tiruchengode & Sankari

Chairman's Desk

Prof.Dr.M.Karunanithi is the Chairman and Secretary, Vivekanandha Educational Institutions for Women & Vivekanandha Medical Care Hospital. The untiring work of the philanthropist, and the living legend, has been honored with Vidhya Rattan, Rashtriya Rattan, Hind Rattan, and Kongunattu Sathanaiyalar for his sincere and committed work for the successful enhancement of women and empowerment in different educational genres. Such a benefactor of women hatches vision with mission and fosters their developments in all walks of life. He is a versatile person and a pioneer in the field of women empowerment and a role model to all the young minds. He is a man of wisdom who paves the right path for thousands and thousands of women students.

Vision

- To educate, train and develop high order competent professionals.

Mission

- To bring academic excellence by imparting world class pharmacy education to face any challenge.
- To march on par with current developments to be professionally competent
- To bridge the gap between academy and industry to live up the societal needs.

Principal's Desk

Swamy Vivekanandha College of Pharmacy, an institution functioning under the esteemed Angammal Educational Trust, was established in the year 1992 with a noble vision to impart quality education in the field of pharmaceutical sciences. The college offers a comprehensive range of academic programmes including Diploma, Degree, Postgraduate, and Doctoral level programmes, designed to meet the evolving needs of the healthcare and pharmaceutical industries. The institution is approved by the

Pharmacy Council of India (PCI), New Delhi, accredited by the National Board of Accreditation (NBA), and affiliated to The Tamil Nadu Dr. M. G. R. Medical University, Chennai, ensuring the highest standards of academic excellence and professional credibility. The college is equipped with well-established infrastructure facilities, including a centralized instrumentation laboratory, a CCSEA-approved Animal House for experimental research, a well-stocked library with computer facilities, and a dedicated medicinal garden that supports hands-on learning in medicinal plant studies.

The academic environment is further strengthened through a tie-up with Vivekanandha Medical Care Hospital, providing valuable clinical exposure and practical training opportunities for students. The institution organizes two National Conferences every year, namely "Emerging Infectious Diseases and Novel Drug Development" and "Clinical Pharma Practice – Indian & Global Scenario", offering a valuable platform for knowledge exchange among academicians, researchers, clinicians, and industry experts. At Swamy Vivekanandha College of Pharmacy, we are committed to nurturing competent pharmacists, researchers, and healthcare professionals with strong ethical values, scientific temperament, and social responsibility. I invite aspiring students to be a part of our institution and embark on a journey of academic excellence, innovation, and professional success.
